About Joslin Diabetes Center

Joslin Diabetes Center is the world's preeminent diabetes clinic, diabetes research center, and provider of diabetes education. Joslin is dedicated to ensuring people with diabetes live long, healthy lives and offers real hope and progress toward diabetes prevention and a cure for the disease. Founded in 1898 by Elliott P. Joslin, MD, Joslin is an independent nonprofit institution affiliated with Harvard Medical School. For more information about Joslin, call 1-800-JOSLIN-1 or visit www.joslin.org

For information about Joslin's international collaborations, please visit: www.joslin.org/international

In 2012, Joslin was re-accredited by the Accreditation Council for Continuing Medical Education (ACCME) and received "Accreditation with Commendation" status, the highest rating achievable by a provider of CME.

About Sunstar Foundation

The Sunstar Foundation was established in 1977 and then Sunstar president, Hiroo Kaneda, became the first chairman of the organization. The aim of the Foundation is to improve oral care among the general public. For more than three decades, the Foundation has actively promoted dental health through a variety of activities. The Sunstar Foundation's efforts have been highly acclaimed both in Japan and internationally for their beneficial impact on society.
