**About Joslin Diabetes Center**

Joslin Diabetes Center is the world’s preeminent diabetes clinic, diabetes research center, and provider of diabetes education. Joslin is dedicated to ensuring people with diabetes live long, healthy lives and offers real hope and progress toward diabetes prevention and a cure for the disease. Founded in 1898 by Elliott P. Joslin, MD, Joslin is an independent nonprofit institution affiliated with Harvard Medical School.

For more information about Joslin, call 1-800-JOSLIN-1 or visit [www.joslin.org](http://www.joslin.org).

For information about Joslin’s international collaborations, please visit: [www.joslin.org/international](http://www.joslin.org/international).

In 2012, Joslin was re-accredited by the Accreditation Council for Continuing Medical Education (ACCME) and received “Accreditation with Commendation” status, the highest rating achievable by a provider of CME.
